The image shows a mobile application interface for adding stock items. At the top, there is a navigation bar with a status bar above it showing 'CARRIER', '11:55PM', and battery status. The navigation bar contains several menu items: 'Liste d'article' with a red badge '84', 'Saisie de mouvement' with a red badge '84', 'Historique' with a red badge '1', 'Création d'articles', 'Modification d'articles', 'Statistique', and 'Log Out'. Below the navigation bar, the main content area is titled 'Ajouter en stock'. It contains a form with the following fields: 'Nom:' with a text input field containing '.....'; 'Catégorie:' with a dropdown menu currently showing 'FRUIT' and a list of options 'Sortant' and 'Périmé'; 'Unité de mesure:' with a dropdown menu currently showing 'KG' and a list of options 'LITRE'; and 'Prix de vente:' with a text input field containing '.....'. At the bottom of the form are two buttons: a green button labeled '+ Ajouter' and a red button labeled 'Annuler'.
